THE SOCIETY FOR THE SCIENTIFIC STUDY OF SEXUALITY

The Society for the Scientific Study of Sexuality is an international organization dedicated to the advancement of knowledge about sexuality. The Society brings together an interdisciplinary group of professionals who believe in the importance of both the production of quality research and the clinical, educational, and social applications of research related to all aspects of sexuality.

In 1957, The Society was founded to encourage rigorous systematic investigation of sexuality. The early 20th century had produced phenomenal growth in scientific understanding; however, similar gains were not being made in understanding sexuality, with knowledge often mixed with misunderstanding and confusion. Through interdisciplinary cooperation, The Society continued to support the study of sexuality as a valid area of research by the scientific community.

A strength of The Society is the range of disciplines represented by its members, conference participants, and journal authors. A broad interdisciplinary perspective is insured by dialogue and research contributions from biologists, physicians, nurses, therapists, psychologists, sociologists, anthropologists, historians, educators, and theologians, etc.

Become a Society Member: Join the oldest organization in the United States of professionals interested in the study of sexuality. Keep up-to-date with the latest findings from diverse areas of research. Establish a continuing dialogue with colleagues in the sexual sciences who are working in a broad range of disciplines. Share your research, teaching, or clinical experiences with a group of professionals interested in knowing your work. Become part of a close-knit community of serious researchers.

SSSS Membership Benefits: In addition to participation and reduced conference fees in the Annual Meeting, members receive: The Annual Review of Sex Research, The Journal of Sex Research, Sexual Science newsletter, The Society's newsletter that gives information about The Society and related activities of interest; and The Membership Directory, a yearly directory of the membership. There are members-only and a student-members only listservs.

Discounts are available for annual and affiliates’ meetings. Your membership in SSSS actively supports The Society's work in advancing knowledge about sexuality, rewarding research excellence, and promoting freedom of inquiry for researchers.

Eligibility for Membership: Membership is limited to applicants who have demonstrated an active professional commitment to the advancement of knowledge about sexuality. Applications are reviewed by the Membership Committee to determine eligibility; additional information may be requested.

### 8:00 PM – 10:00 PM

**FILM FESTIVAL** Co-Sponsored by Pornotopia & Self Serve Toys. Moderated by Jay Irwin, PhD

**Alvarado A-E**

**Film 1: “GENDER AFFIRMATION”** - Gender may be between the ears, but let’s not forget all the beauty between the legs!

Genderqueer superstar, Jiz Lee, takes a bath while ruminating on their fan mail. Sex educator, Shanna Katz, brings us mutual masturbation; wherein, Maya Mayhem and Kitty Pride, explore their bodies for mutual pleasure. Lyric Seal is caught with roommate Joey Minx’s belongings so they, uh, negotiate new boundaries. And ground-breaking director, Tobi Hill-Meyer, returns with scenes from her project, Doing It Again: Playful Awakenings, giving transwomen the opportunity to speak for themselves about their sexuality and their relationships.

Performers: Jiz Lee, Maya Mayhem, Drew Deveaux, Hayley Fingersmith, Azure Monro, Juicy, Kitty Pride, Lyric Seal, and Joey Minx

**Film 2 - "POLITICS OF THE PENIS"** - New York-based artist, Charles Lum, returns to Pornotopia in his inimitable video style.

Internationally celebrated, Lum’s films frequently deal with the politics of gay sexuality and how the changing realities of HIV affect culture and personal experience.

Experiments in Cinema/Basement Films presents a program of Lum’s short films including F/F, Indelible, Aids Conference Cock Suckers, Tom’s Gift, and Lloyd Blankfein Must Die. Never dull, often thought-provoking, Lum’s work provides both erotic and intellectual stimulation.
